

Circumcision Resources

These are just a few of *my* favorite things...

I'm always adding more and I love learning so send me *your* favorite resources!

Circumcision

A great video with Dr. Dean Edell with Penn and Teller excerpts so it's definitely irreverent in parts but a good overview of all the main issues surrounding it...

[Circumcision: Make the informed decision](#)

A great "quiz" that walks you through your decision while giving information on each topic you have questions or concerns about:

[Circumcision Decision Maker](#)

This is a great article about the transmission of HIV and circumcision, and the reasoning behind the American Academy of Pediatrics stance:

[The Truth About Circumcision and HIV](#)

Here is a very technical, scientific video explanation of the function of the foreskin:

[Function of the Foreskin](#)

And a boatload of every type of video on any topic regarding circumcision:

[Doctors Opposing Circumcision Videos](#)

A great article for parents of uncircumcised sons:

[Protect Your Uncircumcised Son](#)
